MONROE COUNTY SCHEDULES PUBLIC INFORMATION MEETING ON SENECA PARK ZOO

The Monroe County Parks Department has scheduled a Public Information Meeting at 7 p.m. on Thursday, April 27 in the Eisenhart Auditorium of the Rochester Museum and Science Center, 657 East Avenue, to present options being considered for the future of Monroe County's Seneca Park Zoo.

Options under consideration include: maintaining the status quo; continuing with decade old development plans; making limited improvements to the parking and entrance areas; developing the zoo to include improved entrance and parking areas and introduce state of the art immersion exhibits for barrier free viewing.

The presentation is free to the public and will provide an opportunity for attendees to contribute comments on the options under consideration.
